Declaration of Conformity of GINO AG to REACH: Regulation No. 1907/2006/EG

Dear Sir or Madam,

GINO AG is certified according to the worldwide environmental management standard DIN EN ISO 14001. In accordance with our environmental policy, we are particularly committed to legal compliance, continuous reduction of environmental impact (including pollutants) and improvement of environmental performance in processes, production and products.

This is to inform you about the European Regulation 1907 /2006 of the European Parliament and of the Council concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (hereinafter referred to as "REACH") as follows:

- GINO AG is not a manufacturer, producer or importer of chemicals within the meaning of Articles 6 and 7 of REACH. but is included in the system as a so-called "downstream user". Therefore, GINO AG is neither subject to the registration obligation nor to the obligation to prepare safety data sheets.
- As a matter of principle, we require our suppliers to comply with REACH in order to obtain the necessary information on SVHC substances in the supply chain if necessary and to be able to switch to appropriate alternative artic-
- We strive to maintain the product portfolio. Should there be serious changes in the future with regard to the marketability or use of a substance, we will communicate this immediately and, if possible, offer alternatives at an early
- Articles that contain a substance >0.1% by weight that is listed on the ECHA list of substances of very high concern and cannot be substituted are listed on the 2nd page of this document.

This document is based on information provided by our suppliers. Although we consider them to be extremely reliable, we do not guarantee the accuracy and completeness of the data, recommendations and information. This letter has been prepared and issued on the basis of the laws and regulations in force at the present time and to the best of our knowledge and belief.

GINO AG

Elektrotechnische Fabrik

We hereby inform you that the following products we supply contain the following SVHC candidates in accordance with Art. 33(2) of Regulation (EC) No. 1907/2006 (REACH) in excess of 0.1% by mass.

Item name	SVHC	CAS number	Concentra- tion
HELUKABEL Profibus SK innen 1x2x0,64 SK fest PVC violett	4,4'- isopropylidenediphenol (Bisphenol A)	80-05-7	>0,1%
Silikonleitungen (SiHF, SiHF UL/CSA)	Octamethylcyclotetrasiloxane (D4)	556-67-2	>0,1%
Silikoneinzeladern (SiF, SiFF, SiD, SiF/GL, UL-Style 3135)	Decamethylcyclopentasiloxane (D5)	541-02-6	>0,1%
,	Dodecamethylcyclohexasiloxane (D6)	540-97-6	>0,1%
Kabelverschraubungen und Zubehörteile aus Messing	Blei	7439-92-1	>0,1%
verzinkte (Chrom VI-frei) Hutmuttern	Blei	7439-92-1	>0,1%
